Directions

In a saucepan, place the butter and milk, a pinch of salt and a pinch of pepper.

Bring to a boil, then remove from heat and quickly incorporate the flour using a spatula.

Return the saucepan to low heat to dry out the dough and stir continuously.

When the dough forms a ball that no longer sticks to the sides, remove from heat.

Add 4 eggs, incorporating them into the dough one by one until everything is homogeneous.

Then add the grated cheese.

Place the choux pastry into a piping bag and pipe the choux onto a rectangular baking sheet.
